Curently Our Services

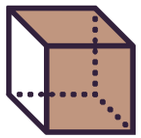
We offer 3D render, walkthrough video, 3D Interactive presentation, 3D Real time Virtual tour, and complete real estate branding.

Our Services

We at V-Studio ensure that your projects are portrayed in manners that are unique and effective to its essence.

This is done by indulging in every aspect of visual creation, from creativity to presenting, from scratch to creating models that were modeled in your thoughts.

Below mentioned are the complete arsenal of services that V-Studio is proud to provide:



3D VISUALIZATION STILL & WALKTHROUGH

3D REAL TIME VR TOUR

3D INTERACTIVE PRESENTATION

REAL ESTATE CREATIVE SERVICES

V-STUDIO 3D VISUALIZATION

01

Virtual Walkthroughs

A virtual walkthrough is the most effective and exceptional way of pre-visualizing your commercial or residential projects.

02

Live Presenter

Live Presenter is one such solution that allows us to composite real people onto computer generated backgrounds.

03

Photo Realistic Views

exterior / interior rendering

We pride ourselves in creating extremely detailed and well defined photorealistic interiors and exteriors.

04

3D Floor Plans

3D floor plans contain all the information a 2D floor plan has, and adds height to it. It conveys a lot more detail.

3D REAL TIME VIRTUAL TOUR

3D REAL TIME Virtual TOUR

This is the best tool to sell your real estate or promote using 3D glasses and create a feeling for the customers that they are really in the property you want to sell or rent

Realtime VR Walk-Thru

Realtime 3D in this example refers to a simulated digital environment in which a user can physically move around, seemingly walking through a proposed architectural design. This approach works particularly well with a headset, such as an Oculus, for an immersive experience.

V-STUDIO INTERACTIVE

01

Pix Touch

V-Studio now offers touch screen presentation solutions. Captivate your audience in the most interactive manner.

02

Augmented Reality

Augmented Reality is a live, direct or indirect view, of a physical, real-world environment whose elements are augmented.

03

Virtual Reality

Virtual Reality is the most effective and exceptional way of re-visualizing your commercial or residential projects.

V-STUDIO CREATIVE SERVICES

01

Print Media

An elegantly designed identities, stationers, brochures speak volumes about the brand and the business it represents.

02

Digital Compositing

Imagine being able to insert an artificially created architecture into real footage with physically correct lighting conditions.
